## WHO WE ARE

As First Legal celebrates close to 30 years of service, with over 600 employees, 19 locations, and 10 preferred partners nationwide, we are committed to helping our clients reduce their litigation costs and achieve greater profitability through our Litigation Cost Containment and National Vendor programs.

A lot has changed in the litigation support industry over the last ten years, as insurance, corporate and governmental entities require a more comprehensive solution. First Legal is transforming what it means to be a litigation support company by providing our clients with comprehensive services including Court & Process, Investigations, Digital, Records and Deposition Services.

We are proud to say that we are the only litigation support provider offering a complete File Thru Trial solution. Our five divisions work together to tackle every assignment with precision and excellence. As a result, we provide you with the highest level of service so that you can stay focused on what you do best.

First Legal is a litigation support company of individuals united in the common purpose of service. Like a family, we care about our clients and work together for the health and success of the whole company. We celebrate each other's accomplishments, stand by each other in challenging times, and succeed together.

When you work with us, you'll discover a network of litigation experts who feel and act like a natural extension of your team. We believe in practicing with integrity, delivering on our promises, and being personally accountable. Those values come through in how we work, how we treat others, and in everything we do.

# COST CONTAINMENT

By streamlining multiple critical services through First Legal, companies are able to control expenses, reduce excessive vendor management and provide their legal counsel with one point of contact for a simplified process. First Legal has created a Litigation Cost Containment Solution that provides negotiated rates for Corporate and Insurance clients. Customized pricing is available for the following comprehensive services:

- Court Filings
- Service of Process
- Investigations
- Records Retrieval
- Court Reporting
- Deposition Management
- Trial Presentation
- Digital Services

## NATIONAL VENDOR PROGRAM

Our National Vendor Program enables companies to gain visibility into their litigation spend, and allows them to better leverage their buying power resulting in realized bottom-line savings. First Legal will provide fixed annual pricing, bundled rates, multiple billing options, and one point of contact for all service lines to simplify the vendor management process. Your team will be able to see your spend per client matter or claim file.

First Legal will manage your costs and lower overall spend on your litigation support services, File Thru Trial™. By partnering with First Legal, your company can attain significant cost savings in the range of 30% or more annually on litigation support services.
